### Governance Award.

I am pleased to report that representatives from Nexus were invited to a national event at the Palace of Westminster last week to celebrate the work of Governors and Directors.

We were up against strong opposition from all over the UK, but we were delighted to be named as the winners of the award for best Strategy and Vision.

This is a great achievement and wonderful recognition of the valued work our Governors do to support the school – all of whom are volunteers and who give up their time freely.

### School Games letter.

As you know many of our children take part in our range of sporting activities. We received a letter from the Yorkshire Sport Foundation which commended our students for their achievements in reaching the Level 3 final and for their involvement.

A huge well done to them!

### Road Safety.

We were visited today by Gist Road Safety Programme who worked with all of our children and young people to raise awareness of Road Safety issues. The company brought a large HGV to school and the children were able to explore what life is like as a lorry driver! The work was finished off with a presentation and PowerPoint. I think everyone learnt something new and had a great time. Thank you to Viki for organising it.

### Sarah Mulhall.

It was lovely to be visited by Sarah yesterday. You may remember that Sarah left at the end of the Summer Term to take up a new post of Headteacher at Pennine View School in Doncaster. Sarah is settling well into her new role and wanted me to pass on her best wishes to you all.

Yours sincerely

Jacky Tattershall
