Explore some of the sensory props from the stories

Listen to stories and remember key parts of the story

Read some key words from the stories

Independence Ideas

Our work in independence is preparing snack and drinks, we were hoping to run a pop up café in school selling toast,

toasties and hot and cold drinks. It would be great if you could help prepare basic snacks and drinks in the home environment

Optional Home Learning!

Class: Sixth Form Life Skills

Please feel free to use these ideas to keep learning going at home! There is no pressure to complete these...you may have other ideas and routines that you wish to maintain.

It would also be amazing to see or hear about what you've been getting up to so please feel free to share photos/work on our Twitter page: @KelfordSchool or you could put together a photo book to show us when we all come back! Please let us know if you need anything to help and we will try our very best.

Thank you all for all your hard work and support during these uncertain times. We miss you all!

Cognition and Learning Ideas

Our work in Numeracy is Shape.

Can you listen to different songs about shape on Youtube.

Match and recognise 2d shapes

Sort 2d shapes into groups

Recognise different shapes around the home

Social, Emotional and Mental Health Ideas

As part of independence and pop up café we were also going to bake different items to sell.

Could you spend time helping to bake different cakes, buns, scones etc.

Sensory/Physical Ideas.

Look at Go Noodle link to do some fun exercises or mindfulness routines.
