## Optional Home Learning!

### Class: Sixth Form Sensory

Please feel free to use these ideas to keep learning going at home! There is no pressure to complete these...you may have other ideas and routines that you wish to maintain.

It would also be amazing to see or hear about what you've been getting up to so please feel free to share photos/work on our Twitter page: @KelfordSchool or you could put together a photo book to show us when we all come back! Please let us know if you need anything to help and we will try our very best.

Thank you all for all your hard work and support during these uncertain times. We miss you all!
