

PSHE

This term we are talking friendships, we will look at how we can be a kind friend and how to build positive relationships.

Literacy

This term will be working on gaining skills, towards our qualification, we will be focusing on sentence structure and creating sentences. Our focus book will be The Winters Child.

Numeracy

We will be working on developing our understanding of shape working towards the ASDAN qualification. We will look at different 2D shapes and how we use shapes to create different patterns.

Sensory and Communication

This term Sensory learners are working on their individual communication targets and their CVI profiles in a range of sensory stories.

The sensory sessions will be based around music activities and sensory stories and a winter theme

SIXTH FORM CURRICULUM

MAP

Spring 1

Preparing for adulthood.

Community inclusion.

This term we will be visiting different community venues. Students will access a wide range of opportunities such as Meadowhall, local community centres, parks and shops.

Students will also be developing their understanding of the local community within school looking at different places within the community and what we can use them for.

Preparing for adulthood

Employment

This term students are starting their new enterprise project selling jacket potatoes for staff dinners. Students will develop skills in team working, along with building confidence and organisational skills.

Preparing for adulthood.

Independence

This term we will be developing our independence skills within cooking and each week will cook a different meal for lunch on a Thursday. Students will develop the skills they have learnt over the year and this term look at how to use different appliances safely.

We are also looking at helping in home and the skills required to keeping the home environment safe
