

PSHE

This term we are talking about staying safe this will include online safety, safety in the home, community and road safety and safety around strangers.

Literacy

This term our new book is Little Glow, we will look at how different cultures use candles and develop our reading skills to be able to answer questions.

P.E

In P.E this term we are focusing on dance through the decades, we look at how dance has changed and create our own dance routines and develop confidence in performing in front of our peers. In SF1 in PE we will be working on athletics and our throwing, jumping and running skills

Numeracy

We will be working on developing our understanding of positional language as part of functional skills.

Creative arts

This term we are looking at the artist Vincent Van Gogh and we will be using different art materials to create our own pictures in the style of Vincent Van Gogh. In SF1 we are working on spring and seaside art.

Sensory and Communication

This term we are doing a number of sensory stories and body massage sessions around spring time, fairground and seaside.

SIXTH FORM CURRICULUM

MAP

Summer 1

Preparing for adulthood.

Community inclusion.

This term we will be visiting different community venues. Students will access a wide range of opportunities such as Meadowhall, local community centres, parks and shops.

Students will also be developing their understanding of the local community within school looking at different places within the community and what we can use them for.

Preparing for adulthood

Employment

This term students are continuing their enterprise project selling jacket potatoes for staff dinners. Students will develop skills in team working, along with building confidence and organisational skills., students have worked together to decide on new job roles.

Preparing for adulthood.

Independence

This term we will be developing our independence skills within cooking and each week will cook a different meal for lunch on a Thursday. Students will develop the skills they have learnt over the year and this term look at how to use different appliances safely.
