An academy within:

“Learning together, to be the best we can be”

1. Context

- 1.1. Kelford School is a special academy with planned places for 136 pupils, aged 2-19 with a severe or complex learning difficulty. The admission numbers for each key stage from September 2022 are as follows:
(please note these numbers are indicative, and may vary slightly each academic year):

Key stage	Number of pupils
EYFS (2-3yrs)	4
Primary	56
Secondary	40
Post 16	40

- 1.2. Prior to naming the school on a child's EHCP, a Local Authority must fully consult with the school in line with its statutory obligations.
- 1.3. Places at Kelford are funded in line with the High Needs Block Operational Guidance.
- 1.4. Where children have additional needs, this will be reflected in a higher "top up" funding amount, as defined by the school and agreed by the commissioning Local Authority. Please see 4.5 for further information.
- 1.5. Nexus Multi Academy Trust is the responsible admissions authority for Kelford School.

2. Admission criteria and arrangements

- 2.1. Places will usually be taken up at the start of the school year, though - by agreement with the Headteacher - places can be accessed at any time of the year. Admissions are generally only agreed if an EHCP has been completed and the needs of the child have been clearly defined in line with the school's designation and, where needed, an assessment visit has been completed by the school.

- 2.2. In exceptional circumstances, and in line with the Special Educational Needs Code of Practice (2015), the school may consider assessment placements in order to support a Statutory Assessment
- 2.3. Consideration will always need to be given to the numbers in - and profile of - each year group.

3. Referral routes

- 3.1. Parents/carers who wish to consider a place at the school for their child should contact their Local Authority SEND Assessment Team for guidance on relevant procedures.
- 3.2. All EHCPs should incorporate a clear and accurate description of needs together with appropriate funding to meet those needs. When this is not the case, the school will negotiate with the commissioning Local Authority for the appropriate level of bespoke funding for the placement to be viable and sustainable. A formal review of the EHCP will be requested if needed.

4. Admission eligibility criteria

- 4.1. The school is suitable for the child's age, ability, aptitude, disability and assessed special educational needs.
- 4.2. The child has an EHCP indicating Severe Learning Difficulties (SLD).
- 4.3. Parents and/or the child have expressed a preference for the school or in cases of dispute, the local authority has agreed with the school to name it in the EHCP.
- 4.4. The child's placement in the school is compatible with the efficient education of others and the efficient use of resources.
- 4.5. The commissioning local authority provides top-up funding in line with the assessed needs of the child's educational, behavioural (including any additional supervisory requirements), medical and care needs and is relative

to the cost to the school for delivering a support package which enables at least good provision to be in place.

5. Admissions criteria/priorities for when placements are limited

- 5.1. The placement allows for efficient use of school resources.
- 5.2. The placement is appropriate for the designation of the school.
- 5.3. An EHCP is in place which fully assesses the child and quantifies required provision.

6. Admissions procedure

- 6.1. Parents, SEND assessment teams or Educational Psychologists from Local Authorities, Headteachers from other schools, or Alternative Provision/ Resource Heads may contact the school directly to arrange a visit; however, it is Local Authorities who assess needs and commission places at the school, therefore:
 - 6.1.1. Parents wishing their child to be considered for a place are advised to contact their Local Authority SEND service;
 - 6.1.2. The commissioning Local Authority will consult with the Headteacher (on behalf of the Multi Academy Trust) regarding each pupil /student they consider potentially suitable to request a place for
 - 6.1.3. The Headteacher will consider the suitability of the school's provision in addressing the needs of the child including an assessment and also consider the needs of existing pupils/students on roll;
 - 6.1.4. The Local Authority and the Headteacher will come to a decision about placement and any reasonable steps necessary to ensure the admissions criteria can be met;
 - 6.1.5. Admission into our 6th Form follows the same process as for all students;

- 6.2. Once a placement has been agreed new pupils/students will usually have a home visit from the class teacher/phase leader to plan a transition into school.

7. Appeal Arrangements

- 7.1. The SEND Code of Practice entitles parents to appeal to the SEN and Disability Tribunal if their home LA refuses to name their school of choice in the EHCP or the named school refuses to offer a place.
- 7.2. Kelford School, as an academy in Nexus Multi Academy Trust, will always ensure that parents and the commissioning Local Authority are kept informed when the school is considering refusing an admission. The school will be clear with both parents and the Local Authority about the reasons underpinning a potential refusal which, by law, must relate directly to the suitability of the placement for the age, ability, aptitude or SEN of the child or young person, or to concerns that the placement would be incompatible with the efficient education of others, or the efficient use of resources
- 7.3. Where a parent is unhappy that the school is considering refusing admission, the school, Trust and Local Authority will consider any reasonable steps that could be taken to address identified concerns before a final decision is made. Parents must be informed that if they wish to appeal, the grounds for an appeal must be set out in writing.

8. Funding of Places

- 8.1. Local Authorities commission and fund places for pupils at the school based upon identified needs established through a Multi-Agency Statutory Assessment that are costed and recorded in an EHCP.
- 8.2. The Education & Skills Funding Agency provides some core funding for an agreed number of planned places, but it is commissioning Local Authorities that are responsible for ensuring that funding is appropriately matched to needs identified in EHCPs.
