Dear Parents and Carers

re: Parent Governor Vacancy

We have a vacancy for a Parent Governor on the school's Governing Body and I would like to ask you to consider becoming a Governor. Being a Governor gives you the opportunity to shape our school's future. We think of Governors as 'critical friends', providing lots of help and support whilst also challenging us to improve our thinking and our practice.

In addition to attending the termly Governing Body meetings, most Governors join one of the Governing Body's committees. Being involved in the work of one of these committees helps Governors to develop a more detailed understanding of one area of the school's work. Governors also make time to see the school at work. These visits are important as they help Governors to see first hand how well the school is doing. Governors make important decisions about the school and its future. Being actively involved in the life and work of the school helps Governors contribute to discussion and decision-making in an informed way.

Please contact me at school if you would like any more information about being a Governor. If you would like to put yourself forward, please complete and return the reply slip by 12pm on Friday 5 October. If there are a number of expressions of interest, parents will be given the opportunity to elect the new Parent Governor. I hope you will take some time to consider joining our Governing Body at a really exciting point in the school's development.

Yours sincerely

Jacky Tattershall
Headteacher

Please complete and return to Amanda Hobson by Friday 5 October

re: Parent Governor Vacancy

I would like to be considered for the Parent Governor Vacancy at Kelford School.
