Dear Families,

Re: World Book Day 2019

As some of you may be aware, it is World Book Day on Thursday 7th March and as such, we are planning a school enrichment week based on this event.

The events for the week will consist of lots of creative activities based on a variety of favourite authors, a visit from a Travelling Zoo where we will explore stories based on animals, such as Rod Campbell's Dear Zoo, and to end the week, we will hold a Fancy Dress Parade where your children will be invited to dress up as their favourite book character if they wish. The fancy dress day will be Friday, however, children are welcome to dress up on Thursday too.

The Travelling Zoo will be a sensory animal holding experience linked to stories and information books about animals in order to demonstrate to our young people how real life can be linked to stories and in order to bring books to life. To make this happen, we are requesting a small donation of £2.50 per family, which can be sent into school or paid via Parent Pay. This will fund the Travelling Zoo visit and any other extra resources required for the event. Animals included are rabbits, snakes, lizards, tortoises and spiders.

If you do not wish for your child to take part in the event, please let your child's class teacher know as soon as possible. We are very aware that not all children will want to take part and as always, we will respond to the children's wishes on the day.

If you have any questions, please don't hesitate to contact school reception or your child's class teacher. We thank you for your continued support.

Yours sincerely,

M. Hill
