Tuesday, 09 January 2018

Dear Families,

### re: Parents and Carers Meetings

Our next Parents and Carers Meetings of this school year will be on Thursday 18<sup>th</sup> January between 10am and 5pm. This is an important opportunity for you to meet with your child's Class Teacher to discuss their learning and progress since the new school year. Please complete the form below, indicating the best times for you to attend and return it to school by Friday 12<sup>th</sup> January. We will then contact you to confirm the time of your appointment.

Throughout the day we will also be holding our Family Partnerships Team Launch and have enclosed a letter with further information.

We are also seeking your views and thoughts and would appreciate it if you could help us by completing our parent/carer questionnaire? At Kelford School it is important that we know what is working well for our families and also the areas which could be even better. The information that you provide through questionnaires and surveys is always used to support our school improvement planning. The results and any actions taken will be reported to you in the newsletter and also on the school website. Please can you return the questionnaire to school by Monday 22nd January 2018. Many thanks in advance for taking the time to complete this attached questionnaire.

Yours sincerely

Jacky Tattershall  
Headteacher

# Family Partnership Team!

The Family Partnership Team are thrilled to announce that they will be hosting a “launch” event on Parent/Carers Day. The Family Partnership Team have been working with a number of families already but are keen to meet parents and explore ways that we can help all.

We will be on hand all day to greet families and chat about any concerns, issues or to explain the ways that we can offer support. We will also be showcasing the events that are planned across the school year. These include sleep information, behaviour management, sensory processing difficulties and sibling support.

We would love to see you all and hear how things are going for you as a wider family and look at how we may be able to help.

As part of the launch, we have invited a variety of services to be at school to showcase what is on offer in the wider community for our families. Below is an example of what you can explore throughout the day:

- ✚ Kelford Parents Group – to talk about their involvement at Kelford and what they have been involved in
- ✚ Rotherham Parent Carer Forum – To explain what their service offers to parents across the Rotherham borough
- ✚ Catering team to offer food tasting of school meal choices
- ✚ Dawn Allan – Nexus extended services
- ✚ Nexus – to explain the role of the trust
- ✚ Matthew Sorby – to explain the school website and how parents can get the most from it

Just so you know who we are, the Family Partnership Team currently consists of the following, very friendly staff members!

Matthew Seamarks

Tim Southwell

Katherine Richardson
