Dear Families,

Re: Mid-Morning Snack

Many of the children in school like to have a snack during their mid-morning break. As well as giving the children an energy boost, it also helps the children to develop their social skills and communication.

If you would like your child to have a healthy snack at break time, we are asking for a donation of 50p each week to cover the cost of this. Alternatively you may wish to send your child into school with a snack that they prefer in their school bag. If you do wish to send money into school, we are asking you to send in £4.00 for this term. Please send any money into school in a sealed envelope clearly labelled with your child's name and "snack money". If you do not want your child to have a snack mid-morning, this is also fine.

In order for class teams to organise this, I would be grateful if you would complete the slip below. If you have any questions about snack time or any other aspect of your child's education at school, do not hesitate to get in touch. Thank you.

Yours sincerely

Jacky Tattershall
Head of School
